Next Meeting & Fun Fly Challenge

Next Meeting is this coming Saturday - August 3, 2024 @ 1PM at the field. To be followed by the Fun-Fly Challenge. Bring what you got - prepare for almost anything..

Field Maintenance

Correction, thanks go to John F. for repainting the main gate a new Red Color.

Float Fly

The Float Fly is Scheduled for August 24, 2024 at 263 Eastline Rd. in Bells TX 75414 The cost is \$20 and, the club is providing a Burger, Chips, and Drink. The time of this event is 3PM to Dark. Reason is to avoid sun in the eyes. See the attached flyer. AMA Required.

Club Membership & Finances At the last meeting, the state of club membership and finances and upcoming projects were discussed. These meetings are your opportunity to get involved and help the club prioritize projects and help identify ways to help offset ongoing club expenses.

Missing out on what's going on - join up with TexomaRC.

Remote ID Demo This Saturday, A Spektrum Remote ID module will be used on one of the planes and its functionality will be demonstrated. **NOTE** - RID's are not required to fly at FRIA Approved Fields (TexomaRC) or AMA Sanctioned Events. Needed really only if you're Conrad and fly on property surrounded by no less than 6 private airstrips; and 1 commercial strip that uses the airspace above your property as a turn-around for full sized training purposes.

NATS IMAC Warmup

Last Weekend was the IMAC NATS Warmup Challenge held in Salina Kansas by the Smokey Hills RC Club. In this event, two members from the club took 1st place: Danny Powell in Advanced and Conrad Nerdahl in Sportsman. It was a great event and quite challenging with a 20-25 mph wind with occasional gusts hitting 30mph. But, the warmup exercise proved to its name as between pilots in different classes, leadership positions changed a few times over the entire day (Saturday) in which all rounds plus freestyle were flown. The NATS IMAC event is being held in Muncie July 15-July 19.

Texoma RC Float Fly
Saturday August 24, 2024
3PM til Dark

TEXOMA RC MODELERS
SHERMAN TEXAS

<https://bit.ly/3WtvctK>

The flyer features a background image of a lake with a forested shoreline. It includes a circular logo for Texoma RC Modelers, a Google Earth map of the location, and four small photos: a red float plane on a grassy bank, a person standing by a lake, a person launching a float plane, and a float plane on the water. A larger photo at the bottom shows a float plane on the water.
